SENIOR CLASS PLAY
"BEST LAID PLANS"

NOV. 20, 21,22.

This yearbook was digitized by volunteers from the Rutland Historical Society and the Rutland Free Library.

BEST LAID PLANS

As its annual production, the Rutland H.S. seniors presented a modern spy thriller, Best Laid Plans, at the school auditorium on Nov. 20, 21, and 22.

Set in the West Indies, the play revolves around Ada Westbrook, an Ian Fleming-type author, vacationing in the islands. The plot involves the rather involved complications over some secret plans found on the body of a spy who dies in her vacation house. Since the secret plans are on the dead body, everyone tries to steal it and the plot moves from closet to bathroom to window seat until no one knows where it is.

The set was designed by Tom Kelley, and built by David LeBlanc, Oscar Daubenspeck, Jon Blanchard, Dave Ferraro, Dick Smith, Joe Barnhart, and Dick Hackett.

The lighting was designed by Tom, with the assistance of Dick Hackett.

Nancy Lavin was the student director under the guidance of Mr. LePage.

INDOOR TRACK

The Rutland High Indoor track team has just completed one of their best seasons in the past 5 years.

The team coached by Hugh Short ended its regular season with a 3-0 dual meet record and 4-2 overall. One of Rutland's two defeats came at the hand of a strong Lyndon Institute team in the final meet of the season in which Rutland finished a close second in a field of sixteen teams. The other defeat occurred in the Tri-State meet which included teams from Maine, New Hampshire, and Vermont. Rutland was the top Vermont team in placing seventh out of a field of 23 teams.

Rutland was presented a trophy for being the 1970 winter league indoor champions. The team was led by Co-Captain Dan Pellerin who runs a devastating 4:48.8 mile and Ed Derby who ran his fastest two-mile in 10:45.

This year's team consisted of many fine runners like Frank Elnicki who does the 300 yd. run in 34.2 sec.; Eugene Noble who does the 600 yd. run in 119.5 and Dave Kinsman who is nearly as fast with a time of 1:20 sec. In the short distance events were speedsters Mike Ingalls, Tom Garafano, Frank Elnicki and David Wolk, all of whom are very fast. This year's sprinters are considered the best group of sprinters that have come to Rutland. Rutland not only has good sprinters they also had two good 1,000 yd. runners in Bill Herbert and Warren Ferman.

Bill's fastest time was 2:28.5 in which he exhibited a very flawless style of running.

In the field events Rutland had two of the best high jumpers in the state in Steve White and Rick Savage. Both tied a new school record of 6 feet. Savage was also Rutland's best hurdler and Cary Wolinski Rutland's best shot put. In the long jump Rutland had Bill Looker and in the Pole Vault Hank Pellerin.

Coach Hugh Short is expecting another fine season next year.
